Report for August

We rejoice greatly this month with the salvation of 2 precious souls. It was a great blessing to me to be able to lead a mother and her teenage son to accept Jesus as his savior. Please pray for this family as they begin their walk with the Lord. Their home life is very difficult, but we all now that with Christ all things are possible.

Our attendance continues to rebound from the beginning of summer. We were blessed with the following attendances:

***39 in Sunday School; 43 in Worship; 4 first time visitors; 7 repeat visitors
25 Wednesday***

Prayer Request

I am sad to report that we are losing two dear families to our work. Both of these families were young and were a great blessing to us. One is moving back home to pursue job opportunities, while the other is moving to pursue higher education.

This will impact our work here in Lawrence, but we have faith that the Lord will supply all of our needs.

Land

This past month we have contacted several individuals concerning their property. None of these properties were on the market, and so far none of them have been interested in selling to us. It seems that most land owners are waiting for the big developers to make offers of purchase. Pray for us as we continue to press forward.

A special thanks to Midway MBC of Benton, MS for their wonderful offering to our property fund, and a thank you to all of the churches that continue to support us on a regular basis it is indeed a blessing.

We received offerings from the following through Feb.:
