Sponsoring Church - Westwood Baptist Church, Odessa, TX

Co-Sponsoring Church - Pavillard Baptist Church, Amarillo, TX

October Report

Isn't amazing how great a God we serve. At times we just need to pause and reflect on what God is doing.

Here in Lawrence, God continues to bless us. We were blessed this month with 5 first time visitors and one young family uniting with us. We greatly rejoice in their joining the work.

With all the challenges of a building program, I rejoice with our attendance being able to hold steady. We saw averages this past month of 30 in SS, and 41 in worship. We saw a high attendance for the month of 51. Praise the Lord for all His blessings!!

New Address

Please note our new address. Any church that is sending mail directly to us may now begin sending mail to [1115 N. 1700 Rd, Lawrence, KS 66049.](#)

Building

We are in the process of hanging sheetrock. At this point we are about 1 week away from being done with the hanging, and then we will be in need of taping and mudding. If there is anyone skilled in this area, we would greatly appreciate the help.

Our septic work and tree removal has begun. This should be done in a week's time, and then work on the parking will start. This type of work alone is costing about \$20,000. Please pray for this need.

We do also have smaller needs such as fellowship tables and chairs, white boards for classrooms, and shrubs and trees for landscaping. If anyone or church wants to take on one of these needs, please let me know.

Any additional help with labor would also be greatly appreciated.
